**Organizational Announcement**

I am excited to welcome Nick Smith to the Medacta USA support team in his new role as Product Manager, Knees.

Nick began his orthopedic career as a sales representative with Medacta team in Denver, CO. Nick gained valuable experience in Denver, primarily covering knee, hip, and revision procedures. We are excited that he will bring that perspective into his new role, further serving the needs of the Medacta Sales Team. Nick was born and raised in Buffalo, NY. He attended Case Western Reserve University in Cleveland, OH where he earned his bachelor's degree in Biomedical Engineering.

Please help me welcome Nick to the MUSA product management team!

David Conley  
Director, Knee Product Management
